3. How We Use Personal Information

We use personal information to:

1. **Provide the Platform** — create accounts, match Clients with Cleaners, process bookings and payments, hold and release escrow Credits, deliver notifications.
2. **Verify identity, trust, and safety** — confirm Cleaner eligibility, perform background and watchlist screening, detect fraud, prevent abuse.
3. **Process payments and payouts** — charge cards, manage Credits, issue payouts and tax forms.
4. **Communicate** — send transactional messages (booking confirmations, receipts, dispute updates), service announcements, and (with consent where required) marketing.
5. **Personalize and improve** — tailor matching, recommendations, reliability scoring, and content.
6. **Analytics and research** — measure usage, debug, develop new features.
7. **Legal and compliance** — comply with laws, respond to legal process, enforce our Terms, protect rights, property, and safety.

3.1 Legal Bases (where applicable)

Where laws such as the GDPR apply, our legal bases are: **contract performance, legitimate interests** (e.g., fraud prevention, product

improvement), **consent** (e.g., marketing emails, precise location), and **legal obligation**.

4. How We Share Personal Information

We share personal information with:

- **Other Users** — to enable a booking. Clients see Cleaner names, photos, ratings, and approximate service area. Cleaners see Client first name, booking address (only after assignment), and access notes. Reviews are visible to the User community.
- **Service providers and processors** acting on our behalf, including hosting (Supabase), payments (Stripe), identity verification, background checks, communications (email/SMS/push), analytics, customer support, and security vendors.
- **Legal and safety recipients** — law enforcement, regulators, and other parties when we believe disclosure is necessary to comply with law, enforce our Terms, or protect rights, property, or safety.
- **Business transfers** — in connection with a merger, acquisition, financing, reorganization, or sale of assets.
- **With your consent** — for any other purpose disclosed to you.

We **do not sell** personal information for monetary consideration. We may “share” limited identifiers and online activity with advertising partners for cross-context behavioral advertising, which qualifies as a “sale” or “share” under CCPA/CPRA; you may opt out (see Section 8).

5. Cookies and Tracking

The Platform uses cookies, SDKs, pixels, and similar technologies for authentication, preferences, analytics, and limited advertising. See the [Cookie Policy](#) for details and choices.

6. Data Retention

We retain personal information for as long as needed to provide the Platform and for legitimate business or legal purposes, including:

- **Account & profile** — for the life of the account, plus up to **6 years** thereafter for tax, fraud-prevention, and dispute purposes.
- **Booking and financial records** — at least **7 years** to comply with tax and accounting laws.
- **Identity & background-check records** — per applicable laws and vendor minimums.
- **Marketing data** — until you opt out, then suppression-list only.

We may anonymize data and retain it indefinitely for analytics.

We implement administrative, technical, and physical safeguards designed to protect personal information, including encryption in transit, encryption at rest for sensitive fields, role-based access control, row-level security in our database, secret rotation, audit logging, and least-privilege access for staff. **No system is 100% secure.** You are responsible for safeguarding your credentials.
