PureTask — Launch Readiness Memo

Document 14 Version: 1.0 **Assessment Date:** [TO BE COMPLETED] **Prepared by:** Nathan Chiaratti / Strategic Collaborator **Stage:** Pre-Launch Readiness Assessment

Overall Readiness Score

Dimension	Score (1-5)	Status	Weight
Legal	_ / 5	☐ Ready ☐ Risk ☐ Not Ready	35%
Financial	_ / 5	☐ Ready ☐ Risk ☐ Not Ready	20%
Technical	_ / 5	☐ Ready ☐ Risk ☐ Not Ready	25%
Operational	_ / 5	☐ Ready ☐ Risk ☐ Not Ready	20%
WEIGHTED OVERALL	_ / 5	☐ GO ☐ GO with conditions ☐ NO-GO	100%

Scoring: - **5** — Production-ready, fully documented, attorney-blessed - **4** — Substantially ready; minor gaps with low risk - **3** — Material gaps; launch only with explicit risk acceptance - **2** — Significant unaddressed risk; recommend defer - **1** — Not viable for public launch

Go decision rule: Launch only if **all four dimensions** ≥ 4 AND **no Critical Path Item (CPI)** below remains open.

1. Legal Readiness

Sub-Item	Score	Evidence	Owner
LLC formed and in good standing (CA SOS)	_ / 5	LLC-1 file # ____, Statement of Info filed	Nathan
Operating Agreement executed	_ / 5	Doc 09 signed _____	Nathan

Sub-Item	Score	Evidence	Owner

Trademark application filed (PureTask word + Dash design)	_ / 5	USPTO Serial #s	Nathan + IP attorney
Subsection Avg	_ / 5		

Critical Path Items (Legal)

- ☐ **LLC formation + EIN + business bank account** — these gate everything else
- ☐ **Gig-economy attorney review** — minimum bar before public launch; do not skip
- ☐ **Standalone FCRA disclosure presentation** — separate page, separate clickwrap; Gilberg violation = class action exposure
- ☐ **Pro IC Agreement standalone signature** — strongest single ABC-test defense; do not bundle into ToS clickwrap

2. Financial Readiness

Sub-Item	Score	Evidence	Owner
Business checking account in LLC's name; no commingling	_ / 5	Bank statement	Nathan
Business credit card in LLC's name	_ / 5	Card statement	Nathan
Bookkeeping software live; connected to bank + card	_ / 5	Latest reconciliation date	Nathan
CPA / bookkeeper engaged	_ / 5	Engagement letter	Nathan

Quarterly estimated tax payment schedule documented	_ / 5	Quarterly calendar entries	Nathan
Marketing budget allocated for first 3 months	_ / 5	Budget line item	Nathan
Subsection Avg	_ / 5		

Critical Path Items (Financial)

- ☐ **No commingling** — every transaction through LLC accounts only; this preserves the veil
- ☐ **CGL + Tech E&O + Cyber** insurance — non-negotiable for any launch
- ☐ **6-month operating reserve** — strongly recommended; bad-luck event (chargeback wave, FTC inquiry, class-action notice) can drain a thin runway

3. Technical Readiness

Sub-Item	Score	Evidence	Owner
Platform deploys to production with zero-downtime CI/CD	_ / 5	Last successful deploy timestamp	Nathan
Database	_ / 5	Last restore test	Nathan

Sub-Item	Score	Evidence	Owner

CCPA/CPRA opt-out links in footer; functional	_ / 5	Manual test	Nathan
Cancellation flow disclosed before payment authorization	_ / 5	Visual confirmation	Nathan
Review Window timer + auto-release working	_ / 5	E2E test	Nathan
Background check + identity verification working in production	_ / 5	Test Pro signed up successfully	Nathan
Push notifications via OneSignal working iOS + Android	_ / 5	Test push	Nathan
Email deliverability (SPF, DKIM, DMARC) configured for puretask.co	_ / 5	MXToolbox check	Nathan
Accessibility (WCAG 2.1 AA) baseline audit complete; critical findings remediated	_ / 5	Auditor report + remediation log	Nathan + auditor
Mobile apps submitted to App Store + Google Play	_ / 5	Submission IDs	Nathan
Error monitoring	_ / 5	Sentry	Nathan

Sub-Item	Score	Evidence	Owner
(Sentry or equivalent) live		dashboard	
Uptime monitoring live	_ / 5	Pingdom / Better Stack dashboard	Nathan
Subsection Avg	_ / 5		

Critical Path Items (Technical)

- ☐ **Stripe Connect Express live and tested** with real (small) charges
- ☐ **FCRA standalone presentation** in signup flow — this is the Gilberg-compliance bar
- ☐ **SMS quiet hours enforcement** — TCPA + FTSA exposure is \$500-\$1,500 per violation
- ☐ **Database encryption + RLS** — failure here = data breach + state AG investigation

4. Operational Readiness

Sub-Item	Score	Evidence	Owner
Customer support intake channel established (email + in-app)	_ / 5	Support inbox monitored	Nathan
Support response SLA defined (e.g., 24 hr business day)	_ / 5	Internal policy doc	Nathan

Pre/Adverse Action workflow runbook documented	_ / 5	Runbook + Doc 07A/B	Nathan
Trust-and-safety incident response runbook	_ / 5	Runbook in records	Nathan
Pro deactivation workflow tested	_ / 5	Test run	Nathan
Client account	_ / 5	Test run	Nathan

Sub-Item	Score	Evidence	Owner
closure workflow tested			
Data subject rights request (CCPA / TDPSA / FDBR) workflow documented	_ / 5	Runbook with 45-day SLA	Nathan
Security incident response plan documented	_ / 5	Runbook with breach notification timelines	Nathan
Backup and disaster recovery procedure documented and tested	_ / 5	Last DR test date	Nathan
Monitoring dashboards for: signups, Booking completion, dispute rate, payment failures, support volume	_ / 5	Dashboard screenshot	Nathan
Pilot launch completed (≥ 5 successful Bookings)	_ / 5	Booking log	Nathan
Pilot retrospective completed; critical issues remediated	_ / 5	Retro doc	Nathan
Communications plan for SMS/email service outages	_ / 5	Plan in records	Nathan
Compliance calendar maintained (CA Statement of Info, \$800 FTB, 1099-K issuance)	_ / 5	Calendar shared	Nathan

Sub-Item	Score	Evidence	Owner
dates, DPA renewals, trademark renewal)			
Brand-protection log + trademark watch enabled (when TM registered)	_ / 5	Log file	Nathan
Subsection Avg	_ / 5		

Critical Path Items (Operational)

- ☐ **Pilot success** — 5+ Bookings completed without incident before public launch
- ☐ **Customer support intake** — at minimum, monitored email; ideally in-app messaging too
- ☐ **Incident response plan** — for both trust-and-safety and security incidents; you will get one

This document is a planning and self-assessment tool. It is not legal advice and does not constitute attorney sign-off. Genuine pre-launch readiness requires actual attorney review (not just the boxes checked here), real insurance binding (not just placeholder line items), and operational pilot success (not just plans). Use this memo as the scaffolding for those conversations.
