PureTask – Cancellation Policy

Effective Date: May 17, 2026 **Version:** 2.0

This Cancellation Policy is part of and incorporated by reference into the **PureTask Terms of Service**. It explains how cancellations, modifications, no-shows, partial completions, and refunds work on the PureTask Platform operated by **PureTask LLC**.

By booking through PureTask, you agree to this policy. All cancellation fees are disclosed in the booking flow **before** payment is authorized, consistent with **California Business & Professions Code § 17500.5** (Honest Pricing Law), the **Texas Deceptive Trade Practices Act**, and the **Florida Deceptive and Unfair Trade Practices Act**.

1. Client Cancellations (One-Time Bookings)

You may cancel a Booking through the Platform. Fees depend on how much notice you give before the **scheduled start time**:

Notice Before Start Time	Cancellation Fee
6 or more hours	No fee. Full refund to original payment method.

Notice Before Start Time	Cancellation Fee
2 to less than 6 hours	50% of the Booking total (excluding tip). Remaining 50% refunded.
Less than 2 hours	100% of the Booking total (excluding tip). No refund.
No-show by Client at scheduled time	100% of the Booking total (excluding tip). No refund.

The “**Booking total**” means the agreed service price plus any rush, same-day, or trust-and-safety fees, but does **not** include voluntary tips (which are added post-completion only).

2. Booking Modifications (Not a Full Cancellation)

If you need to change a Booking (different date/time, different scope) without canceling outright, you may modify the Booking through the Platform:

Modification Type	Treatment
Reschedule, 6+ hours notice	Free reschedule, subject to Pro availability.
Reschedule, less than 6 hours notice	Treated as a cancellation per Section 1, plus a new Booking is required.
Increase scope	Pro must agree; additional charge processed via the Platform.
Decrease scope	Pro must agree; partial refund of difference, if any, returned to original payment method.
Change of address	Treated as a cancellation if the new address is outside the Pro’s Service Area.

3. Recurring Bookings

For Clients enrolled in **recurring Bookings** (weekly, biweekly, monthly):

- Each instance is subject to the cancellation rules in Section 1, applied to that instance's scheduled start time.
- **Cancel the entire recurring schedule:** at any time, with no fee for future instances. Past or in-progress instances are governed by Section 1.
- **Pro changes for recurring Bookings:** a Pro may decline to continue a recurring schedule; PureTask will offer to match the Client with a substitute Pro.

4. Pro Cancellations

Event	Consequence
Pro cancels 6+ hours before start	Client receives full refund and free re-booking with another Pro. Logged on Reliability Indicator.
Pro cancels less than 6 hours before start	Full refund + free re-booking + one-time PureTask service credit toward a future Booking. Logged on Reliability Indicator.
Pro no-show (does not arrive within 30 minutes of scheduled start)	Full refund. Logged on Reliability Indicator. Repeated no-shows may result in suspension.

Pros are independent contractors and have the right to decline or cancel Bookings. Repeated last-minute cancellations or no-shows may, however, result in suspension under the [Acceptable Use Policy](#) for failure to perform contractual commitments to Clients.

5. Partial Completion

If a Pro completes a portion of a Booking but cannot complete the full scope (e.g., unexpected medical issue, equipment failure, undisclosed hazard discovered on-site):

Scenario	Treatment
Pro completes ≥75% of scope	Full payment, with Client option to file a dispute for partial credit if quality concerns exist.
Pro completes 25–75% of scope	Pro paid pro-rata; remaining balance refunded to Client.
Pro completes <25% of scope	Pro paid the trip fee (50% of Booking total if attributable to undisclosed property conditions per Section 6; otherwise refunded in full).

PureTask may exercise reasonable discretion in evaluating partial completion based on photos, timer data, and User reports.

6. Cancellations Due to Safety, Hazard, or Misrepresentation

If a Pro arrives and reasonably determines that:

- The property poses an undisclosed safety hazard (biohazards, unsecured firearms, aggressive animals, structural risks);
- The actual property condition is materially different from the booking description (significantly larger, in significantly worse condition);
- The Client is intoxicated, hostile, or has made the workspace unsafe;
- The Client has requested services outside the agreed scope, or that violate the AUP, or that would be illegal,

the Pro may cancel the Booking on-site without performing services. In such cases:

- The Client is charged a **trip fee of 50% of the Booking total** to compensate the Pro for time and transportation;
- The remaining 50% is refunded; and
- The incident is logged.

A Client who repeatedly misrepresents property conditions may be suspended.

7. Client-Initiated Mid-Job Termination

If a Client requests the Pro to stop work mid-Booking:

Reason	Treatment
Pro misconduct (verified)	Full refund; Pro may face suspension; incident reviewed by PureTask.
Client change of mind	Pro paid pro-rata for time worked, minimum 50% of Booking total; remainder refunded.
Emergency (medical, family, evacuation)	PureTask may at its discretion waive the fee under Section 8.

8. Cancellation Due to Emergencies and Force Majeure

If a Booking cannot be performed due to events beyond either party's reasonable control (natural disaster, severe weather, government order, sudden serious illness, power outage, fire, flooding, **family medical emergency, pet medical emergency requiring immediate attention**), either party may cancel without penalty. The Client receives a full refund.

Documentation may be requested for repeated emergency claims to prevent abuse.

9. Refund Processing

Refunds are returned to the **original payment method** through Stripe. Processing typically takes **5–10 business days** to appear on the statement, depending on the Client's bank or card issuer.

PureTask does **not** issue cash refunds, gift cards, or stored credit in lieu of refund to the original method, except where a Client expressly requests a PureTask service credit and PureTask agrees.

10. Disputes and Partial Refunds

If a Client is dissatisfied with completed work, they may file a **dispute** through the Platform within **24 hours** of completion. Disputes are handled under Section 7.4 of the Terms of Service. Resolution outcomes may include partial refunds, re-do bookings, or no action, at PureTask's reasonable discretion based on the evidence.

11. Tip Refunds

Tips are paid post-completion at the Client's election. Tips are **not refundable** once submitted, except: - Where the Pro is determined to have committed material misconduct related to the same Booking; - Where the tip was submitted in error and reported to PureTask within 24 hours.

12. State-Specific Notes
